Cheshire Dance Centre wishes to recognize the four graduating Seniors of 2011.

**Allyson Hamel** will be attending Salve Regina University in Newport, RI, with a major in Elementary and Special Ed and a possible minor in dance. She hopes to get good grades and learn how to deal with a new environment away from home and her family. "I'm going to miss the studio and the friends I've made there and especially Ms. Seibert who has become a second mother and mentor to me."

**Ana Barros** will be attending Lehigh University in Pennsylvania, majoring in Chemistry. "I hope to continue dance and to go onto medical school after."

**Lauren Adams** will be attending Bentley University in MA, majoring in marketing with a minor in information design/corporate communication. "I want to be a public relations manager and continue dance as well!"

**Eden Pronovost** will be taking ASL (American Sign Language) classes and plans to find a job in the field when she finishes. "I want to be working with the deaf as a translator or something along those lines."

We wish them all the best in their future endeavors!
