CDC WELCOMES MS. O'TOOLE!

Karyn O'Toole decided to come to Cheshire Dance Centre because Ms. Seibert invited her and she thought it would be a wonderful opportunity.

She started assisting classes when she was 11 years old, but she has been teaching for over 40 years!

The dance studio that Ms. O'Toole learned to dance at is located in Cromwell, Connecticut.

Cheshire Dance Centre is different from other places she has taught because there is a more professional atmosphere, the assistants program and the uniforms are very unique, the students are warmer and friendlier, and it is the first dance school she has ever been at with a graded tap program.

This year Ms. O'Toole is teaching nine classes, and would like to tell her students: "Thank you for the warm welcome and I am delighted to be able to work with all of you!"

Upcoming CDC Reminders:

The studio will be closed from December 13th to January 2nd. First term resumes Jan 3rd! Have a great winter break and we'll see you next year!
