Happy New Year! We hope you had a relaxing winter vacation, and are ready to come back to an exciting 2011!

Every New Year many people make heartfelt resolutions to improve aspects of their life. CDC's resolution is to make every dancer's new year sparkle even more as dance continues to grow within each and every one of them and that they learn to share the magic with their families as they watch them both in the studio and at recital.

Tutu Tips:

Now that the holidays are over, its time to get back on track. Be prepared to work hard and always remember: It's better to be 5 minutes early than 1 minute late!

On a very, very, very cold winter day in December, Eireann, Meaghan, and Shannyn McNulty faithfully stood outside the Hamden Stop & Shop advertising CBT's annual production of The Nutcracker. Watching them from behind is one of the elaborate wooden signs made by our own, Mr. Druckrey. He handcrafted 4 individualized signs that were posted around Cheshire. Thank you to both the McNultys and the Druckreys for their unique help!!

"To watch us dance is to hear our hearts speak"~
